When you take your Test, your Examiner will have a marking sheet with a bunch of subjects on it.

We've therefore reflected those subjects on your Pupil Progress Card.... Simple yet foolproof!!

When you're grade 9 on every subject, you're at Test Standard.

Our promise to you is we'll get you to that point as quickly & efficiently as possible.

Your ClickDrive Instructor fills-in the master copy on every lesson and keeps it safe. If you remember to bring this card with you, your Instructor will update your copy as well, so you can show your friends & family how well you're doing.
